Stéphanie Cyr, or

Stefany Jane-lynn Crooksphere The III, is a multi-faceted, onion layered queer elf of Middle Earth. She is now living, working, surviving, sleeping, loving, on the unceded lands of the **səlilwətaʔt təməxw** (Tsleil-Waututh), **Skwxwú7mesh-ulh Temíxw** (Squamish), **S'ólh Téméxw (Stó:lō)**, **xwməθkwəyəm** (Musqueam) people. She has 27.5 tattoos (or maybe it's 7?). Her career has brought her around the world and across Canada. Cyr is kind, wise, and getting older. Submerging into a sea of foamy waves that marshmallow upon slimy lime green green green coastal rocks - crashing upon her, as she smiles and sinks into its subzero saline embrace.
